

RULES FOR THE EFFECTIVE MANAGEMENT OF RECORDING AT WICKERSLEY PARISH COUNCIL MEETINGS

The right to record, film and to broadcast meetings of Wickersley Parish Council, its committees, sub committees and any joint committees is established under the Openness of Local Government Regulations 2014. This is in addition to the rights of the press and public to attend such meetings.

Wickersley Parish Council is committed to being open and transparent in the way it conducts its decision making. For the purpose of this policy the term “record” means any form of audio, visual or electronic recording. Such recording is permitted under the lawful direction of Wickersley Parish Council.

Wickersley Parish Council understands that some members of the public attending its meetings may not wish to be recorded and the Chairman of the meeting will facilitate this by ensuring that any such request will be respected by those making a recording. Any member of the public who does not wish to be recorded should make this known to the Clerk or the Chairman prior to the commencement of the meeting.

The rules that Wickersley Parish Council will apply are:

1. Wickersley Parish Council will display requirements as to filming, recording and broadcasting at its meeting venues and on its website (if it has one) or on notice boards in the parish and those undertaking these activities will be deemed to have accepted them whether they have read them or not.
2. A copy of these rules will be available on request to members of the public in attendance at a meeting of Wickersley Parish Council, whether they wish to film or not at the meeting. The Chairman may also verbally remind the meeting and all present of the freedom to record but that these rules **must** be observed when this is planned or taking place.
3. Any person wishing to record a meeting in any format whatsoever must contact the Clerk prior to the start of the meeting. The Clerk’s details are set out in the public notice and agenda of the meeting; (or in his/her absence, the contact will be the Chairman of Wickersley Parish Council).
4. Wickersley Parish Council will define an area from which recording may be carried out and, if given advance notice, will strive to ensure that reasonable facilities are made available to any person wishing to record, eg provision of a table. However Wickersley Parish Council should point out that the physical layout of a room may restrict the Wickersley Parish Council’s ability to make any provision.
5. Due to the size and design of the regular meeting room, all visual recording will be undertaken from a static point to avoid disruption at the meeting.
6. A person or persons recording Wickersley Parish Council’s meeting are reminded that the “Public Participation” period may not be part of the formal meeting and that they should take legal advice for themselves as to their rights to make any recording during that period.
7. Where the press and public are excluded from a meeting or part of a meeting owing to the confidential nature of the business to be transacted, recording of that meeting or that part of the meeting will not be permitted.
8. Any children or young people under the age of 18 who are present at the meeting are not to be filmed unless their parents/guardians have given their written consent. This provision

also applies to vulnerable adults, whereby the consent of a responsible adult is required for recording, ie a medical professional, carer or legal guardian.

9. All those visually recording a meeting are requested to focus only on recording councillors, officers, those members of the public who have not requested anonymity or have been identified as under the age of 18 or a vulnerable adult.

10. Wickersley Parish Council may, at its own discretion, require members of the public who do not consent to being recorded to sit separately from those who are content to be recorded.

11. All recording must be overt (ie clearly visible to anyone at the meeting).

12. Members of the public are permitted to film or record meetings to which they are permitted access in a non-disruptive manner. The use of digital and social media recording tools, for example Twitter, blogging or audio recording are allowed as long as this type of recording is carried out in a non-disruptive way and only to the extent that it does not interfere with any person's ability, even where he or she has a disability, to follow the debate.

13. A person or persons making a recording has no right to interrupt a Wickersley Parish Council meeting by asking questions or making comments. The person recording has no right to ask councillors, officers or any members of the public who have been given permission to contribute orally to the meeting to repeat a statement for the purposes of the recording.

14. The Chairman of the meeting has absolute discretion to stop or suspend recording if, in his/her opinion, continuing to do so would prejudice proceedings at the meeting or if the person recording is in breach of these rules.

15. Persons who are recording must strive not to leave equipment unattended. If the person recording needs to leave the equipment unattended he/she should inform the Clerk or Chairman of the meeting.

16. The recording and reporting on meetings of Wickersley Parish Council, its committees and sub-committees is subject to the law and it is the responsibility of those doing the recording and reporting to ensure compliance. This will include the Human Rights Act, the Data Protection Act and the laws of libel and defamation. The recording should not be edited in a way that could lead to misinterpretation or misrepresentation of the proceedings or infringement of Wickersley Parish Council's values or in a way that ridicules or shows a lack of respect for those in the recording. Wickersley Parish Council would expect any recording in breach of these rules to be removed from public view. Wickersley Parish Council will have no liability for material published by any other person unless it is itself undertaking the publication through its offices.

17. The Clerk should be contacted in advance of the meeting if the recording device being used involves equipment which is larger than a smart phone, tablet or compact camera or if the person recording has other special requirements. The use of lighting for filming/flash photography will usually be allowed if it is arranged via the Clerk prior to the meeting but Wickersley Parish Council will have regard to the impact of such lighting on the ability of others present to view the meeting, or for reasons of health, and may require that such lighting is not used or is reduced to a level which does not adversely affect other people. The lighting must not cause any other form of disruption.

18. A full and unedited copy of any recording made of a Wickersley Parish Council Meeting should be given to the Clerk (or in his/her absence, the Chairman of Wickersley Parish Council) as soon as possible after the meeting.

19. Wickersley Parish Council may itself photograph, film, record or broadcast meetings and can retain, use or dispose of such material in accordance with its retention and disposal policies. Where the council proposes to record any of its own meetings it will be bound by this policy.

20. Where Wickersley Parish Council proposes to record any of its own meetings, it will resolve how long such recordings will be kept and how members of the public may obtain copies. Wickersley Parish Council will include such recordings within its Publication Scheme.

21. Wickersley Parish Council is not liable for the actions of any person making a recording at a council meeting which identifies a member of the public or for any publication of that recording.

22. The minutes of a council meeting remain the statutory and legally binding formal record of council decisions.

Date of policy adoption – 20th October 2014
