

Our Gardens

Now owned by Wickersley Parish Council, the Gardens initially opened in 2005 as a therapeutic garden setting offering a sensory and healing space for the use and benefit of all. The gardens have a range of interesting and thoughtful design features, places to sit quietly to admire and reflect as well as a range of ideas to try in your own garden. Cared for by our amazing Volunteer Gardeners who are always ready to extend a very warm welcome.

Our Plant Sales

A range of very reasonable priced plants are on sale and many of our volunteers can help you with advice and tips about planting and ongoing care. We sell bedding plants, perennials, shrubs and climbers.

Wickersley, Rotherham S66 1EE

How to find us

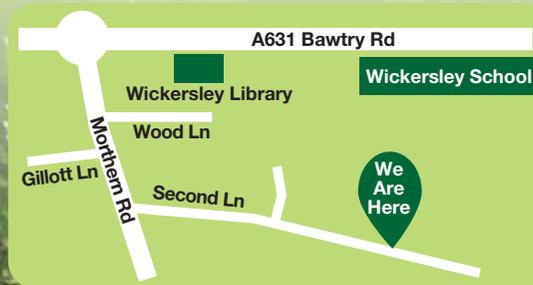

Bus - No 19, 19a and 19b (Thurcroft/Worksop) stop on Morthen Rd at the end of Newhall Ave which leads to Second Lane. We are a short walk down Second Lane.

Car - we have a small car park for our visitors, but we would encourage those more able to park on Morthen Rd or Newhall Ave and enjoy the short walk down the lane.

Walking - several of the well trodden footpaths in Wickersley pass close by and one through Wickersley Woods is signposted to Winthrop. And if you're a dog walker then Winthrop is ideally located for a refreshment break for you and the dog!

Staying in touch

We've lots of events still in the pipeline, so when you visit please complete one of our Feedback cards and leave us your contact details so we can keep you informed!
